1. **Inclusivity:** Everyone should participate, we will create space for all meeting participants to contribute with one person speaking at a time.
2. **Step up, step back:** If you are a person who normally talks a lot, then please try to 'step up' listening and 'step back' talking. If you are a person who normally stays quiet, then try to 'step up' speaking, and 'step back' listening.
3. **Stay on track:** The agenda will be utilized to keep the meeting targeted. When conversations linger on/tangents come up, participants will be redirected to the most appropriate place to continue to conversation (via committees, email correspondences, one-on-one conversations, or alternative meetings, etc.). The Chair will serve as a moderator to keep the meeting on track.
4. **Come prepared:** Anything that needs to get voted on will be provided a few days ahead of the meeting, members should come to the meeting prepared by pre-reading meeting materials.
5. **Stay engaged:** When possible, have your camera turned on and limit multi-tasking to honor everyone's time.
