3. **Stay on track:** The agenda will be utilized to keep the meeting targeted. When conversations linger on/tangents come up, participants will be redirected to the most appropriate place to continue to conversation (via committees, email correspondences, one-on-one conversations, or alternative meetings, etc.).

4. **Come prepared:** Anything that needs to get voted on will be provided a few days ahead of the meeting, members should come to the meeting prepared by pre-reading meeting materials.

5. **Stay engaged:** When possible, have your camera turned on and limit multi-tasking to honor everyone's time.
