Opioid Settlement

Allowable uses of funding: At least 70% of funding awarded to states and localities must be spent on “opioid remediation efforts” defined in the settlement agreement as “*Care, treatment, and other programs and expenditures (including reimbursement for past such programs or expenditures except where this Agreement restricts the use of funds solely to future Opioid Remediation) designed to (1) address the misuse and abuse of opioid products, (2) treat or mitigate opioid use or related disorders, or (3) mitigate other alleged effects of, including on those injured as a result of, the opioid epidemic.*”
