

# 2018 HAWAI'I STATEWIDE HOMELESS AWARENESS CONFERENCE

## Pū Kākou I Ikaika

"Together We Are Stronger"

**Register by check/money order or by credit card! Deadline to register is 10/31/18.**

The Annual Hawai'i Statewide Homeless Awareness Conference is a unique opportunity for the entire community - from front line service providers to business owners and Landlords - to come together and collaboratively address the challenges faced by those experiencing homelessness to create a coordinated response. We will be offering twelve (12) breakout sessions throughout the day. We invite you to network and create partnerships and gain knowledge and tools to become part of the solution - because together we are stronger and together we can end homelessness. When every individual with a disability or chronic illness has the supportive services they need and has a safe and stable place to sleep - we are stronger! Ending homelessness is possible!

### Friday, November 16, 2018
