

PARTNERS IN CARE

Oahu's Continuum of Care

Our mission is to eliminate homelessness through open and inclusive participation and the coordination of integrated responses.

JOB DESCRIPTION

Position: Data Manager, Partners In Care
Reports To: Executive Director of Partners in Care, in consult with the Partners in Care Board of Directors and Aloha United Way as the Collaborative Applicant
Type: Full time
FLSA Status: Full-time, exempt
Location: Partners In Care, 200 N. Vineyard Blvd., Suite 210, Honolulu, HI 96817

PRIMARY PURPOSE: Support and coordinate the administrative and programmatic operations of Partners in Care (PIC), Oahu's Continuum of Care (CoC), in consult with the PIC Director and the Board of Directors to further the strategic and community strategies and objectives of PIC in accordance with the PIC Governance Charter and/or Bylaws, and in accordance the Department of Housing and Urban Development (HUD) policies and procedures. The PIC Data Manager is responsible for both the day to day operations of the HMIS project and for developing strategies for using data driven solutions for homeless assistance. The Data Manager will provide PIC's Executive Director and Board of Directors with advice, feedback, metrics, and data to develop both strategic and tactical plans to end homelessness. In addition, the Manager will work with other state and federal agencies, and key stakeholders to integrate HMIS with other homeless assistance programs. In addition, the Data Manager will be responsible for the following duties:

1. Work with PIC's Executive Director and Board of Directors to develop a strategic plan for using HMIS to reduce long-term homelessness and developing data driven solutions;
2. Work with PIC's Executive Director and Board of Directors to integrate HMIS with the continuum of homeless assistance programs to develop data driven policies and evaluations of programs;
3. Increase the use of HMIS of homeless programs not receiving federal funds;
4. Coordinate and/or chair the PIC Data Committee as directed by PIC's Executive Director and Board of Directors;
5. Coordinate and support development and adoption of uniform data standards across the State of Hawaii;
6. Support consideration and periodic revision of client privacy and security procedures, as well as data sharing protocols;
7. Coordinate and support systematic surveys of HMIS users and provision of an interpretative report of strengths and weaknesses to PIC's Data Committee, Executive Director, and Board of Directors;
8. Coordinate and support the submissions of AHAR, PIT, HIC, SPM, and other CoC reports to HUD;
9. Develop, implement and enforce a work plan to insure PIC's HMIS is compliant HUD Technical Standards and the HEARTH Act; and
10. Coordinate and support the Annual Point in Time Count in collaboration with PIC's Data Committee, Executive Director, PIC Staff and Board of Directors; and
11. Establish, monitor and regulate HMIS policies, protocols and procedures to ensure compliance with all HUD technical standards.

OTHER DUTIES/FUNCTIONS:

- Performs other duties as required by the position, Director, and the PIC Board of Directors.
