# Funding Process

**HUD will continue the Tier 1 and Tier 2 funding process:**

- ▶ Tier 1 is equal to 94 percent of the CoC's ARD (**\$8,535,720**)
- ▶ Tier 2 is the difference between Tier 1 and the CoC's ARD plus any amount available for bonus projects *[not including amounts available for DV Bonus projects and before adjustments are made to permanent housing leasing, operating, and rental assistance budget line items based on changes to Fair Market Rent (FMR)] as described in Section III.C.3.c of the NOFA.*  
(**\$1,089,666**)

# Funding Process - DV Bonus Project

- ▶ Grant term must be 1-year.
- ▶ A CoC can only submit one project application for each project type: PH-RRH, Joint TH and PH-RRH, and SSO-CE.
- ▶ If a CoC submits more than one project application for each project type, HUD will only consider the highest ranked project that passes eligibility and quality threshold review; e.g., if a CoC submits 2 PH-RRH project applications under the DV Bonus, HUD will consider the highest ranked PH-RRH project application that passed eligibility and quality threshold for the DV Bonus and the lowest ranked PH-RRH project will be considered under the regular bonus project (see Section III.C.3.c of the NOFA).
- ▶ CoCs are required to rank all DV Bonus projects on the New Project Listing of the CoC Priority Listing with a unique rank number. If a project application designated as DV Bonus is conditionally selected by HUD with DV Bonus funds, HUD will remove the ranked DV Bonus project from the New Project Listing and all other project applications ranked below the DV Bonus project will slide up one rank position (e.g., if the conditionally selected DV Bonus project is ranked #5, HUD will remove the DV Bonus project and each project below #5 will move up one ranked position). If the DV Bonus project application is not conditionally selected with DV Bonus funds, the project application will remain in its ranked position and will be considered for funding as a bonus project with available CoC Program funds provided the CoC meets the requirements of Section II.B.1. of this NOFA.
